Hamlet's Blackberry is turning out to be a very good book. I found myself agreeing with the author and thinking "yea, that's what has been bothering me but I didn't know how to articulate the problem." It was a little slow starting, somewhat repetitious, but the premise is relevant to the current state of affairs for me and most of my friends.

Hamlet's BlackBerry I decided to read this book after hearing an interview with the author on NPR. I just got an iPad and the cynic in me couldn't resist making this my first iBook. About halfway through I realized that this book was targeted directly at people like me. I have already tried some of his methods of disconnecting. It is wonderful.

## Read Online Hamlets Blackberry Building A Good Life In The Digital Age Paperback Common

Hamlet's Blackberry: Building a Good Life in the Digital Age, thoughtfully crafted by William Powers, is the answer to our connected conundrum. Powers provides insight on how human beings have adapted to new technologies since writing and reading were invented in ancient Rome, and how to be a productive employee while still enjoying and utilizing our Internet connectedness.

### **Hamlet's Blackberry by William Powers: How to Build a Good ...**

Part intellectual journey, part memoir, Hamlet's BlackBerry sets out to solve what William Powers calls the conundrum of connectedness. Our computers and mobile devices do wonderful things for us. But they also impose an enormous burden, making it harder for us to focus, do our best work, build strong relationships, and find the depth and fulfilment we crave.
