Introduction. The Constitution states only one command twice. The Fifth Amendment says to the federal government that no one shall be "deprived of life, liberty or property without due process of law." The Fourteenth Amendment, ratified in 1868, uses the same eleven words, called the Due Process Clause, to describe a legal obligation of all states.. These words have as their central promise an ...

Deconstruction is an approach to understanding the relationship between text and meaning. It was originated by the philosopher Jacques Derrida (1930–2004), who defined the term variously throughout his career. In its simplest form it can be regarded as a criticism of Platonism and the idea of true forms, or essences, which take precedence over appearances.
