The Two Faces Of January

The Two Faces of January is a gripping and highly watchable film which I would highly recommend. Set in the sixties, it is undeniably "old school" - a twisted tale of murder, treachery and double-dealing, based on the novel by Patricia Highsmith, where you half expect Alfred Hitchcock to appear in cameo at some point.

The Two Faces of January - Wikipedia

In "The Two Faces of January," Viggo Mortensen wields a cigarette with the authority of Bette Davis and all the other great smokers of studio-era Hollywood. Gazing from under heavy-lidded eyes and a hat brim pulled low, Mortensen looks like a relic from that era, and cinematographer Marcel Zyskind lights him as such.
